TOWNHIP DAIRIES LEAD COUNTY IN MILK PRODUCTION

Dairymen of Washington Township are hanging up some fine records lately under the high standards required by the cow testing association of Alameda County, Agent T. O. Morrison advises this newspaper.

The two highest fat producers in Alameda County for June were both Washington Township dairymen. Mack Vink of Newark led the list with a Gradged Guernsey cow which produced 1881 lbs. of milk and 77.1 lbs. of butterfat. J. S. Costa of Ivington with a Purebred animal placed second with 1551 lbs. of milk and 52.8 lbs of butterfat.

For high average herd Zwissig Brothers of Decoto placed second with 349 cows tested out of 438 in their herd, the average fat for the herd being 32.1 lbs per cow, and for the tested animals, 40.2 lbs. per cow.

Mack Vink placed third with a tested average of 38 pounds for 12 tested cows and 33.3 average for his herd of 95 animals. Zwissig Brothers placed the third animal among the top five high cows with a 69.4 lbs. fat for their best animal. Mack Vink led this classification.

Other Township dairymen appearing well up in the list were Frank Imlig, tested herd average of 35.2 lbs. fat per cow; Louis Marchy, 34.2 lbs. and Wipfli Bros. 27.1 lbs. per tested producer.

The monthly report notes that more dairies are installing milking machines because of scarcity of labor.

The Inderbitzen Dairy of Irvington topped the list for Firty Pound Cows, with 59 such high-producers listed to their credit.

This is a fine showing, and Washington Township residents are unusually fortunate to have such fine, sanitary dairies operating nearby. The California standards of cow-testing and milk-grading lead the nation, and this is something of which we residents can be proud!

CHAIRMAN THANKS ASSISTANTS IN TAG REGISTRATION

CENTERVILLE — The registration for and the distribution of the identification tags for Washington Township demonstrated what can be accomplished by a willing organization and the cooperation of the general public. An estimated ninety-five percent of the Township's people registered and received their tags. The exact total being 13,106. Those failing to register will be given an opportunity at a later date. Due publicity of the time and place will be given.

My personal thanks are extended to Mrs. McWhirter, the general chairman for the fine organization set up and for the systematic way in which she handled the project. I join with her in expressing thanks and appreciation to the town chairmen and their organizations, who so efficiently handled the details of registration and to block wardens and others who distributed the cards to the resi dences.

The chairmen in charge of the various districts were as follows:

Alviso District ..... Mrs. Frank Madruga
Alvarado ..... Mrs. Earl Hellwig
Centerville ..... Mrs. Fritz Waltenberger
Decoto ..... Mrs. Louis Musick
Irvington ..... Mrs. Carl Christensen
Mission San Jose .... Mrs. Cyrus Solon
Newark ..... Mrs. Samuel Scott
Niles Mrs. A. J. Petsche
Warm Springs Mrs. Jos. S. Brown.

F. T. Dusterberry Chairman Red Cross and Civilian Defense

WARFARE BOARD CALLS QUARESMA

IRVINGTON — E. A. Quaresma, Irvington attorney and past president of the Niles Rotary Club has been offered a legal position in Latin-America by the Board of Economic Warfare at Washington, D.C. Details will be discussed at a conference to be held between Quaresma and Douglass Poteat, director of the board, within the next few weeks.

Quaresma, who was recommended for the position by Thomas Weldon, district attorney of Santa Barbara County speaks several languages including Portugese and Spanish.

PRACTICE INCIDENT AUGUST 4 AT NILES

A third "practice incident" for civilian defense workers has been called at Niles for Tuesday evening, August 4 by Chief Warden E. F. Glassbrook. All Air Raid Wardens are asked to assemble at his office for instructions, with First Aiders to meet at the Niles Fire House for their instructions. The two groups will then proceed to work together at the scene of the incident.

PFRSISTENCE OF CONTAMINATING GASES RELATED

By Dr. Ward L. Mould
Medical Gas Officer, U. S. Office of Civilian Defense

(This is the last of a series of six articles about war gases, their characteristics, and measures the civilian can take to protect himself against gas injury)

The anti-gas organization in your city is divided into two parts. In association with casualty stations and hospitals of Civilian Defense Emergeny Medical Services, facilities are being developed to remove all traces of "persistent" gases from injured people. This is necessary to prevent the gas being carried into hospitals. The average person can "decontaminate" himself, as described in a previous article. Special hospital and decontamination facilities should be reserved for these who have other injuries as well. Personnel needed to man these stations are now being trained.

The "persistent" gases may remain in an area for days or weeks. To meet this danger, decontamination squads have been organized in Departments of Public Works. These squads are equipped with street flushing machines, brooms and special spraying apparatus. They are furnished with special chemicals which can be used to destroy the "contaminating" gases.

The senior gas officer in your community will be responsible for identification of war gases, marking off the gassed area, for technical advice on the work of decontamination squads, and the handling of food, water or clothing which may have been contaminated. He must have trained assistants for these tasks.

Remember, in case of gas attack Keep calm, Keep cool, Walk — do not run to shelter. Keep this series of articles where you can find them.

SOUTHERN COUNTY YIELD 742,696 POUNDS OF RUBBER

The Hayward district and Southern Alameda County communities donated a total of 742,696 pounds, or 371 2/3 tons of scrap rubber in the recently concluded Salvage Rubber Campaign, according to L. H. Newell, chairman of the Hayward area committee.

Of this total the Hayward area district contributed more than 200,000 pounds, he said.

Some rubber tires and other scrap are still being held in warehouses in the southern part of the County, so that this fine total will continue to rise, until all the outlying warehouses are cleared.

The national total for the salvage campaign has not yet been announced by the government officials, although it is conceded that the President's aim of 300,000 tons has been greatly exceeded.

NILES RATION BOARD GETS FOUR NEW CARS

Only four new cars have been apportioned to Washington Township Rationing Board, this being three less than last month's quota.

New cars purchased in June were granted to Manuel F. Silva of Alvarado, farmer; Bart P. Vink, Newark Dairyman. Harry Raes of Alvarado, labor contractor. Arthur Kimber of Niles, defense worker; Herbert Harrold of Decoto, Benicia arsenal and Leslie Salt Co., of Newark.

MOTOR HILL CLIMB

Some 200 Bay region motorcycle enthusiasts assembled at the base of a hill west of Niles Sunday afternoon to enjoy the thrills and spills of the last motorcycle hill climb to be held in this vicinity until after the war. The scuffing of the tires on the take-off at the base of the hill broke into a live spring, resulting in a lot of unintentional "mud-slinging" before the exciting meet ended. The hot exhaust of one of the machines started a grass fire which was quickly suppressed.

NEWS OF MEN IN SERVICE

Melvin V. Howe has been made corporal at a Washington air base. He is the son of Mr. Joe Howe formerly of Irvington now of Centerville.

Frank William Katzer, son of Mr. and Mrs. Frank Katzer has been made a second class Yeoman in the U. S. Navy. Katzer has been at Pearl Harbor since arrival their prior to December 7, 1941.

Mr. and Mrs. M. J. Amaral have received a recent letter from their son Lloyd who is stationed "somewhere in Ireland". He states he is well but has not received any of the mail they have sent him.

Mr. and Mrs. Lewis H. Adams have received word from their son Rolland who recently enlisted in the Army Air Corp that he is stationed for a short time at Jefferson Barracks, Missouri. Rolland was one of the 1942 graduating class of the local high school.

FIVE PAPERS JOIN IN DIRECTORY OF LOCAL BUSINESSES

A classified business directory of merchants of Washington Township, Hayward and Castro Valley, to occupy an entire page weekly in Southern Alameda County newspapers, is being developed at present by A. J. Cadero, well-known Alvarado printer and World War Veteran.

Selling points for the new feature are outlined by Mr. Cadero as a service to Southern Alameda County business people. By the combined use of the five hometown papers, publicity may be secured by merchants at a cost lower than in any one individual paper.

The directory will be classified as to kinds of business represented by the advertisers and will thus be of service to the reading public making available at a glance any product or professional service needed.

An additional point in the interest of the advertiser is the fact that publicity of his concern will reach the combined circulation of the five papers carrying news into approximately 3,000 homes in the southern end of Alameda County each week.

Enthusiastic response to the new advertising program is being received by Mr. Cadero from merchants, he has interviewed and the feature is expected to become a permanent part of these five home town newspapers which have always sponsored community cooperation.

Any merchant or professional person in Southern Alameda Co. who wishes to be included in this directory should contact this paper in case Mr. Cadero has not yet had the opportunity of calling in person.

The five papers participating in this undertaking for the buying public's convenience are The Township Register at Niles, the Washington News at Centerville, the Alvarado Pioneer, the Pleasanton Times and the Castro Valley Reporter.

Keep your name and the nature of your business before the public constantly. This slogan of modern advertising is the basis of the Business Directory of Southern Alameda County which offers an effective and inexpensive medium for telling the world that business goes on hereabouts in spite of Hitler, Hirohito or the ball-headed man from Rome!

MISSIONITES FAIL TO CALL FOR TAGS

MISSION — The registration for identification tags which took place at the Mission Grammar school was well carried out altho a number of people did not show up to receive theirs. Even some of the school children failed to appear. Mrs. Solon, who was at the head of the drive here kept the school tags over till Saturday in hopes all would be called for, but in spite of this added accomodation some did not bother to call for theirs. Your correspondent wonders if some people care if they lose their heads or not. After all the government does for our protection,we should cooperate.

CARS DAMAGED

NEWARK — S. G. Scott, commander of Washington Township Post of the American Legion was run into while driving here one night recently when the driver of another car admitted he fell asleep. Both cars were seriously damaged.

NILES RESIDENTS ASKED TO PUT OUT THEIR SCRAP METAL ON CURB EARLY THIS SUNDAY

Householders and businessmen in the town of Niles and farmers residing in the Niles School District are asked to have their scrap metal (excluding galvanized iron materials) ready to be picked up this Sunday morning as their donation to the national scrap metal drive, Dr. T. G. Wilson, chairman of the Niles drive, requests.

Trucks donated by Contractor Dias, Lumberman Bonde, and the Edenvale Nursery, manned by volunteer helpers will begin their rounds in the town of Niles at 9 o'clock Sunday morning. Men are asked to don their old clothes and meet at the Niles Firehouse at 9 o'clock Sunday Morning and help with the work. The trucks will go up and down the streets of Niles picking up junk metals piled at the curb, and when loaded will proceed to the Pacific States steel receiving department to be weighed and dumped.

Farmers are asked to call Niles 4442 at once, leave their names and locations and the trucks will call Sunday noon or afternoon. Those already listed as ready to donate metal are Mrs. E. C. Grau, Mrs. W. H. Ford, Ray Peterson, John Kimber, Joyland Picnic Grounds, Mrs. Frank Perry, the Canyon Heights Development Co., Vieux Bros. Electric Co., The Township Register, etc.

The preceeds of the drive will be used to provide and equip a Disaster Center for the Niles School District.

W. T. LINDSAYS LEAVING NILES FOR LOS ANGELES

Township residents were greatly shocked to learn this week that another of our able and popular families is leaving this community for new fields of endeavor.

Assistant Executive W. T. Lindsay, who has kept Scouting on its toes in Washington Township for the past six years, is leaving Niles soon with his family for a new and more responsible assignment in the Los Angeles Council, which includes 500 Scout troops.

Mr. Lindsay, who is supervisor of the big Dimond-O and Dimond-T Scout camps at Mather in the high Sierra is returning to Niles in a week to wind up his affairs and prepare to move his household to the south about the middle of next month.

As treasurer of the Niles Congregational Church for the past two years his services will be greatly missed as will those of his wife and two childrens who have been "pillars" of the local church.

"Bill", as he is popularly known, will be missed from the Rotary the Township Men's club and other civic organizations in which he has always taken a leading part. Mrs. Lindsay has been active in the Ladies Guild, the Sanford Circle and the Niles P.T.A.

Their daughter, Miss Elizabeth, remained in Los Angeles and entered the general hospital there this week to begin her nurse's traing course. She had planned to start at Highland Hospital in Oakland this fall, prior to the family's sudden change of plans.

Andrew, the son, will be missed from Church, Scouting and other young people's activities at Niles. He would have been a senior at Washington High School this fall but will have to finish his schooling in Los Angeles.

The very good wishes of their many friends in this Township accompany the Lindsays to their new field of endeavor. The new position represents a substantial promotion in Scouting responsibilities for Mr. Lindsay.

He says a replacement is not in sight just now for his position in the Oakland Area Council as Scout executives are likewise becoming scarce on account of the war.

RENT SIGN-UP ENDS

The Township signup of landlords who rent houses concluded Tuesday evening at the Niles Postoffice with less than 300 of the estimated several thousand Township landlords having registered. Miss Marcella Stivers, Irvington school teacher conducted the registration. Landlords who have not registered have until August 15 to register in Oakland or face a stiff penalty.

Miss Elizabeth Lindsay is returning to Niles Friday from Los Angeles. She will help her mother prepare to move south and expects to enter nurse's traing in the Los Angeles general hospital some time in August.

Principal Rathbone Resigns From Washington High

CENTERVILLE — Many Township residents were greatly shocked to learn on Thursday of last week that District Superintendent A. J. Rathbone of Washington Union High School, a popular civic leader of Washington Township had submitted his resignation to his board of trustees following 11 years of outstanding accomplishments.

The attendance at the high school, now 700 students, has doubled during his terms of office, the tax rate is lower than it used to be, and all bonded indebtness has been paid off by the board of trustees since Mr Rathbone has been superintendent.

He has been offered the principalship of the Sonoma High School on the north side of the bay.

Prior to his coming to Centerville he was principal at the Galt Union High School, coming there from MacArthur. Before that he was superintendent of the agriculture department at the California Polytechnic School at San Luis Obispo. During his principalship here the school doubled its enrollment to over 700 students.

Rathbone has taken an active part in civic affairs of the township and was recently appointed by the Treasury Department as chairman of the War Bonds drive He is a member of the Lions Club, the St. James Men's Club, the Congregational Men's Club the Chamber of Commerce, the Alameda Lodge of Masons and a past president of the Alameda County Teachers' Association and chairman of the State Teachers' Tenure Committee.

The good wishes of his many friends and admirers here go with Mr. and Mrs. Rathbone to his new field of endeavor.

LEAVE FOR CANADA

Bishop Fred C. Hahn and wife left Niles this morning for a Bible Convention which is being held 100 miles north of Edmonton, Alberta, in the Peace River Country. Enroute they will visit churches at Marshfield and Salem, Oregon, also Spokane, Washington, and will continue east as far as Winnipeg Manitoba. They will be back in Niles to resume their pastorate in about six weeks. During their absence Bishop W. W. Curtis of Irvington, will take charge at the Niles Full Gospel Temple.

COLONEL OVERACKER

Charles Overacker, son of Mrs. Edna Overacker of Niles is now Colonel Charles Overacker of the United States Army Air Corps, he announced to his mother during a recent visit here.

PRUNE BALLOTS

Prune growers of Washintgon Township are urged to cast their ballot prior to July 31 for the 1942 program to control off-grade prunes so they will not interfere with the marketing of standard quality prunes. Ballots may be picked up at the home of Fred Duffie, Second near G street in Niles, by growers who did not receive a ballot and self-addressed envelope from the Department of Agriculture, according to M. J. Bernardo, president of the Berryessa Prune and Apricot association.

LAST SOFTBALL LEAGUE GAME FRIDAY, JULY 31

NEWARK — Softball fans are asked to notice a change in the printed softball schedule for the Washington Township Softball league: Occidental played Woodmen of the World July 20, not July 31, and Westvaco will play on July 31 instead of completeing the season July 27 as stated in this paper several weeks ago.

Native Sons in the first game Monday evening defeated Occidental 6 to 0. Tony Ornellas, winning pitcher, allowed only one hit and pitched beautiful ball. Native Sons started the scoring in this game in the third inning when Eddie Lebon knocked a base hit with the bases full.

The second game found Westvaco nosing out Woodmen of the World 2 to 1 in an exciting, thrilling and noisy game. "Lefty" Miller for the winners allowed three hits, while Larry Rogers for the losers allowed four hits.

Another shutout game took place Wednesday evening in the first game when Occidental stopped Wedgewood 1 to 0. Telles, winning pitcher, allowed two hits, and losing pitacher Vargus also allowed two hits. Sweeny's base hit in the first inning of this game scored the first and only run of the game.

In the second game Wednesday Central Chev. defeated the Knights of Columbus in a practice game by a score of 5 to 1. This game was a non league game as both clubs failed to have ten regular players on the field after the second inning. Jack Silva hit a home run.

On Friday evening Native Sons thumped Woodmen of the World 10 to 3 behind the steady pitching of Ornellas. Joe Dutra for the winners hit a home run. In the second game Westvaco continued their leadership drive by defeating Wedgewood 7 to 6.

Louis Amaral, who is vice-president of the Softball Association, was called to act as president of the Association when Al Silveria, president, entered the United States Army early this year, and Kenny Ferry, field manager enlisted in the Navy.

Louis Amaral has done a great job in taking over these two responsible positions during the absence of the two service men.

It looks at present as if Westvaco, Native Sons, Occidental, and Woodmen of the World will participate in the playoff games.

Next Week's schedule of play follows:

Monday evening: Native Sons tangle with Westvaco, while Occidental entertains Central Chev.

Wednesday evening: K. of C. clash with Woodmen of the World, then Native Sons vs. Central Chev.

Friday evening: Westvaco vs. Woodmen of the World. This will be the close of the league, and this is the only game scheduled.

The following league standings have been kindly provided by Field Manager Amaral, and are correct to last Saturday:

LEAGUE STANDINGS

Teams	W.	L.	Pct.
Westvaco	11	3	.786
Native Sons	11	4	.733
Occidental	10	5	.666
W. O. W.	8	6	.571
Wedgewood	6	10	.375
K. of C.	2	13	.133
Central Chev.	2	13	.133

PIONEER RETURNS

DECOTO — Mrs. Mary J. Pimentel, who was born in the adobe on the California Nursery grounds at Niles 80 years ago, has returned home after six months in an Oakland hospital and declares that "life begins at 80." She is the sister of Frank Garcia of Niles, also born in the historic adobe, which was built by Jesus Vallejo.

Supervisor George Hellwig of Alvarado was a business visitor Saturday afternoon in Niles.

SELECTEES MAY DRILL WITH GUARD RESERVE

Young men of Washington Township who will have to go into military service sooner or later, who wish to get a "jump" on their training are invited to attend the weekly drill periods of the California State Guard Reserve being held in the Oakland Armory every Tuesday night from 7:30 to 9:30 p.m. under the direction of Lt. John Dell.

This cheerful invitation was telephoned to this newspaper Tuesday afternoon by Sgt. James Collins of Newark, who was formerly drill master of the Washington Township State Guard Rifle company prior to its disbanding.

He and a few other former members of the Guard Company which drilled at Centerville up to February are now regular members of the Reserve and go to Oakland for drill evevry Tuesday night. Among his fellow Guardsmen from this district are Karl Nordvik and Bill Gastelum, both Corporals now; and Orville Vance, Claire Bettencourt and Willard Holt.

These men are also taking advantage of the weekend bivouacs being put on by the regular army at the Benecia Arsenal. Young men of draft age, especially those 18 and 19 years old will do themselves a lot of good by taking this primary training in the school of the soldier, close order and extended drill, formal guard mount, etc., voluntarily while they have the opportunity. Later when they get into service their experience over the green rookies will most certainly lead them to a pair of stripes on their biceps.

Rifles are still available for drill purposes at the Armory, Sgt. Collins points out that the State Guard is now operated by a new Adjueral Walter C. Sweeney who succeeded General J. O. Donovan.

Men now joing the Guard Reserves are not liable for interior guard duty, can not be called to duty except in case of enemy invasion or domestic insurection, receive no pay except when called to duty, and have nothing to do with the new State Militia being organized under Farm Bureau auspices.

Join the Guard Reserves and get some Army drill free!

MOTORCYCLIST KILLED

The excitement of the Sunday afternoon motorcycle hill climb near Niles was somewhat marred when it was learned that a rider, Alfred Pimentel, 24, shipyard worker of Hayward, had crashed into a milk truck, driven by Arthur G .Teegarden, 56 of Alameda, as it turned into the Zwissig Dairy. Pimentel was killed as he was on the way to the contest. He suffered a fractured skull as a result of the crash and his motorcycle caught fire, investigating officers said.

SAFEWAY Homemakers' Guide

★ How to cut down on waste by eliminating haste ★ A list of foods that are really low priced ★ An illustrated story worth reading

Haste in shopping makes waste in food and in time too

It has always been our family duty to waste as little food as possible—today it is our patriotic duty. And certainly the most effective way to do this is to plan menus and shopping lists together—a week at a time. For this gives you the opportunity to fit one day's leftovers into the next day's menu—to vary meals—to keep meals well-rounded nutritionally—to stick to the budget—and to plan definite times for shopping, thus cutting down on shopping trips. But streamlined shopping schedules take careful planning. And at all times the perishability of different meats and vegetables must be kept in mind.

For meats, you might select shoulder lamb chops, enough ham loaf for two nights, and Swiss steak. If stored in the refrigerator, most meats will keep about a week; cured meats like ham and bacon will keep longer; but ground meats, poultry, and fresh fish should be cooked the same day or day after.

For vegetables, you might choose corn, string beans, carrots, tomatoes, cucumbers, green onions, lettuce, and celery. That's not counting the potatoes and onions you'd have on hand already. As soon as you get home, wash the vegetables quickly, dry, and store them in a covered container in the refrigerator. Use green and leafy vegetables that day or the next. Carrots and corn will keep longer.

Now let's say, for example, that you are buying these meats and vegetables on Monday to last until Friday. Here are the dinner menus the Safeway Homemakers' Bureau suggests you might have planned before buying.

MONDAY DINNER
Baked Ham Loaf garnished with Canned Spiced Peaches
Scalloped Potatoes
Tossed Vegetable Salad of Torn Lettuce, Finely Sliced Green Onions, Celery, and Quartered Tomatoes with French Dressing
Gingerbread with Whipped Cream

TUESDAY DINNER
Braised Shoulder Lamb Chops
Corn on the Cob *Melted Butter*
Buttered String Beans
Lettuce and Tomato Salad with Mayonnaise
Berry Shortcake with Pouring Cream

WEDNESDAY DINNER
Cold Sliced Ham Loaf
String Bean and Corn Succotash
Pickles *Potato Chips*
Shredded Carrot and Raisin Salad
Ice Cream and Cookies

THURSDAY DINNER
Braised Swiss Steak with Brown Gravy
Quartered Potatoes and Carrots, and Tiny Whole Onions Cooked with the Meat
Stuffed Pear Salad
Butterscotch Cream Pie

"CRUCIAL"! That word is certainly being used carelessly since the war started. . . .

The battle for Singapore was "crucial" according to the newspapers; it was lost, and we're still going on. The battles for Bataan, Corregidor, Hong Kong, the Dutch East Indies and so on and so on, were all said to be "crucial". We and our Allies lost them all, yet we're still going on.

With regard to the future pattern of civilization no one engagement, nor even series of engagements, is crucial. We and our Allies can still lose a lot more "crucial" battles (but we don't expect to!) yet there will still be terra firma under our feet, and the British,' and Chinese' and Russians'. This critical word is being badly abused.

—ww—

"DRASTIC" is another high-powered word which is being bandied about too freely: "civilians will have to make drastic reductions in their driving"; "Congress has drastically cut (and now all but restored) appropriations for Leon Henderson", etc. etc.

How we civilians use our private automobiles is directed by common sense and necessity; with care the newer cars (and tires) will last a long time. The OPA will carry on with what money Congress finally appropriates for its maintenance.

Let's not be so "drastic" in the use of incisive words!

—ww—

HURRAY! The former "Free French" are now the FIGHTING FRENCH, (under De Gaulle, not Stooge Laval) and with their aid and the Allies the crushed Spirit of France will rise again to plunge bayonets into the bellies of their overlords. Proachainment! (Soonly.)

— ww —

IT finally comes to mind what the initials of that modern Benedict Arnold of France stand for:

P eremptorily
I gnore
E very
R eal
R epublican
E ffectually.
L et
A varice
V illify
A ll
L iberty

He should hang his head in shame — and then cut it off!

—ww—

QUESTION: Can a man with Navy blue eyes join the Army?

Answer: If he did he would probably be sunk!

—ww—

THE ARMY wants 20,000 more doctors by the end of this year, to come chiefly from the states of New York, Pennsylvania, California, Illinois and Massachusetts — (our most populous states.)

The government has tried to leave one doctor for every 1,500 of civilian population. This new call, added to the doctors who have already left civilian life, will leave about one doctor for every 5,000 of civilian pop.

Women will have to quit having babies for the duration, and we will have to put priorities on sickness: you can let your appendix rupture next year if I can have my tonsils out this year!

The war has to be won, regardless of all costs, and if civilian health is endangered, then what doctors remain in civilian life will have to deputize registered nurses to take care of usual home sickness, elementary surgery and dressings, etc.

Even old-fashioned home nursing can come back into vogue again, where Mother always tried her pet remedies first and only called in the doctor when her own efforts failed.

—ww—

BEATING THE GAME: A service station man near Hayward, who drives a carload of workers to and from the Richmond shipyards every day, needed some tires for his relatively old car. He bought an olded car for $40, took off the five usable tires, sold the old car for junk for $20. Now he has five usable tires at a cost of but $4 each and continues to make his fares to the shipyards. Smart fella!

—ww—

DISGUSTING! Some love-sick swain conducts a love-nest near San Leandro, then shoots the gel to "protect her good name". (That's a funny one!) So the daily papers devote three pages of one issue, and the front pages of both the first and second sections of the next issue, to splashing pictures all over of how she looked and what he said . . . The war news becomes relatively unimportant in the light of this sensual "treat" for the thrillsops.

As a country editor I have always rejoiced that my finished product could go into anyone's home and be read by every member of the family, regardless of age, without occasioning a sense of shame on their part or requiring an apology from me.

With untold tens of thousands of persons being killed every hour of every day (what a mess!) why should one sensational, amorous killing rate more free publicity than the President's Message to the Nation?

One day our metropolitan dailies will quit pandering to the moribund tastes of the lascivious. The millenium will be near when that desirable day comes!

—ww—

CONGRESSMAN Wesley E. Disney of Ways and Means committee, said in a recent speech:

"Most of us in Capitol Hill watch our local newspapers to see what our constituents are doing, thinking, saying; but it won't do any harm to send clippings on Federal extravagance to your Senators and Representatives and let them know that you, too, are watching the papers. If you do this regularly, I predict that Congess will soon discover that taxpayers, as well as our organized lobbies, cast their votes on Election Day. We on Capitol Hill will get the notion that perhaps we can hold our jobs better by saving than by spending; and our Federal Government will start its long hard slow journey back to the almost forgotten regions of black ink"

—ww—

FUNNY THING: the middle three letters of "death" are: e-a-t. Hence the origin of the old saw that "we dig our grave with our teeth."

—ww—

WHEN THE public reads a statement from a member of Congress which exactly contradicts a statement on the same subject released by a cabinet member or department head, — or vice versa, some writer with a flair for absurdity should write a book about official Washington today and title it' Malice in Blunderland"!

—ww—

THIS WAR is reviving a number of famous old fighting expressions. For example, a Marine sergeant, awaiting a Japanese attack in Burma told his men "Don't shoot till you see the yellow of their eyes." Very good, Sergeant!

The first American medium tanks to enter the fighting in Llbya were christened the "General Grants." Some thoughtful fellow, recollecting that General Grant had a worthy adversary, dubbed another type of American-made tanks, the "General Lees".

The American Civil War was transplanted to Spain six years ago, although the names of its leaders are now being perpetuated in North Aftrica. Funny old world!

—ww—

$100 A WEEK for ex-high school boys for pushing a broom around, or doing something else equally unimportant, at shipyards. Double-time — $1.50 an hour — for sleeping Sunday afternoons while "on the job."

These are not fairytales; these these things are actually happening today, and your scribe and many others have first hand knowledge of it.

It makes a hard-working father's blood run cold: more money than the father has ever made through his small, but honest business. A day or a few days after payday these overpaid boys are broke; unless "Mom" gets hold of the check first and hangs onto it for her dizzy son's sake.

When the bubble bursts, the let-down is going to be terrific. These boys will be spoiled for any useful, normally paid work after their flier in easy-come, easy-go.

But there it is. The bigger the bill the shipyards can roll up for the government (you and me) to pay for the new ships, the greater their margin of profit on the accepted cost-plus basis.

Can Washington do anything about it? Washington is trying.

—ww—

THE ALEUTIANS should make "happy hunting grounds" for American submarines — to pot some of the incoming jap transports. Report has it the skibbies have already landed 25,000 troops there —ready for a thrust at Dutch Harbor or some continental point.

American fliers have sunk 15 jap ships thus far, operating under the most impossible conditions of fog which never lifts. Notwithstanding which, still the japs come on. We'd better clean them out fustest, while their landing operations are still young; rather than wait until they strike in Alaska or continental U.S.A.

The enemy is slimy as an eel and had best be dealt with as such — before they start some new devilment.

— ww —

NEARLY all articles and summaries appearing in newspapers and magazines now-a-days are written in a critical spirit. Everyone every where is on trial: and only the fit will survive.

All our leaders, from Roosevelt and Churchill down, are being appraised and criticized — albeit in a respectful and thoughtful manner; but criticized and weighed and evaluated, nevertheless.

—ww—

OUR NAVY department has finally released official totals for the Battle of Midway, fought June 3 to 6 as: 20 enemy ships sunk or damaged; our carrier Yorktown was "put out of action" (not sunk); one destroyer sunk. Ratio in our favor: 20 to 1.

Japanese killed or drowned during the battle: 4,800. American officers and men killed: 92. Ratio in our favor: 50 to 1.

Enemy aircraft destroyed: 275. Ours: not given.

That's hitting the enemy hard.

Now let's hit them where they live.

Our enemy lives in Japan (and the Phillipines, and the Dutch East Indies!)

SS HEADQUARTERS authorized local boards to defer married men (married before Dec. 7, 1941) until all available single men, including those in war jobs, have been called: and to call men with children last. The President said it is unlikely at any time soon to call 18 and 19 year olds for military service. Director Hershey said local boards may now fill up to 10 percent of their quotas with men heretofore deferred because of illiteracy who are otherwise fit for military service.

—ww—

KEEP 'EM FRYING!"

This new slogan refers to saving your bacon and other greasing drippings. Put them in a wide-mouth can and when you have a pound or two take the can to your local butcher and he will pay you 5c a pound for it.

Meat greases contain an explosive substance needed by the government for making ammunition. (Now don't "blow up" about it!)

—ww—

THE FAMOUS "three R's now stand for Relief from Rubber Rationing!

MATINEE OF ICE FOLLIES DUE THIS SATURDAY

Biggest attraction for Bay area entertainment seekers continued this week to be the glittering and glamorous Ice Follies of 1942, all-new edition of the famous skating show, now appearing nightly at Winterland, in San Francisco.

The smooth-flowing, richly-costumed revue is steadily adding to its audience total of many millions.

Fourth daytime performance of the ice spectacle has been set for Saturday, July 25. The complete night show will be given commencing at 2:30 p.m., it was declared by the management, and tickets are availavle at special rates.

The current edition of the Ice Follies is completely different from the ones which have delighted more than a million persons in San Francisco since 1939. Production, costumes, lighting and music have been entirely changed, great names have been added to the national skating stars.

Amazing to those who see the Ice Follies for the first time is the transposition of dance routines to ice skating. Experts explain that figure skating is based upon dance steps, with a rapid and continuous rhythm almost indescribably beautiful. Those who have seen the show point out that the seemingly effortless flow of action creates the illusion of dancing in the air.

Comedy is being stressed, along with the graceful performances of highly trained precision numbers which feature the gorgeous "Ice Folliettes". Comedians again include the renowned team of Shipstad and Johnson; Frick and Frack, the McKellen Brothers and others. Bess Ehrhardt and Roy Shipstad, Fran Claudet and Osborne Colson, Idi Papez and Karl Zwack are among the other famous ice skating stars appearing nightly.

Ice Follies tickets are available for every performance at Winterland, WAlnut 0112; at Sherman Clay boxoffices in San Francisco and in Oakland; and by mail order addressed to Winterland, Post and Steiner streets, San Francisco.

WEDDING UNITES IRVINGTON COUPLE AT THE MISSION

MISSION — One of the prettiest weddings of the season took place at St. Josephs Church, with Reverend Manuel Rose officiating, on Sunday July 12 when Miss June Santana of Irvington became the bride of Joseph Anthony Santos of the same city.

The lovely bride wore a white allover embroidered lace, full skirted gown with a short veil and carried a lillies of the valley bouquet. Her sister, Miss Lorraine Santana, who was the bridesmaid wore a becoming pastel green formal mixed bouquet of dainty flowers. Their little cousin was the flower girl, wearing a peach satin formal. Thomas Santos, brother of Anthony acted as best man.

Immediately after the ceremony the happy couple motored to San Jose for a picture setting and then to Newark where a reception was held in their honor. They are both graduates from Washington Union High School and after a short honeymoon will be at home in Hayward to their friends.

MRS. A. E. CARTER IS LUNCHEON HOSTESS IN OAKLAND

The many friends of Congressman and Mrs. Albert Carter are welcoming Mrs. Carter back to California. Mrs. Carter invited the following friends as her luncheon guests at the Hotel Oakland on Thursday, the 16th: Mrs. Leon Solon, Mrs. Nell Farrington Myers and Mrs. Roland Bendel of Niles; Mrs. A. P. Bertolotti and Miss Julia Ruschin of Newark; Mrs. A. A. Amaral of Decoto; Mrs. Fred Rogers and Mrs. John Santos of Centerville; Mrs. Thomas Power of Irvington; and Miss Flora McKeown of Alvarado.

Several delightful social affairs are being arranged for Mrs. Carter before she returns to Washington D. C. Her personal accounts of many of the activities at the Capitol are immensely interesting and often enlightening.

BIRTHDAY PARTY

Miss Carol Waynflete was hostess at her thirteenth birthday party on Wednesday evening at her parents' home in Niles to a group of girls and boys who enjoyed out-of-door games and refreshments.

Enjoying the evening were Misses George Ann Karel, Hannah Kennely, Delores Sperry, Patricia Owen, Betty Grau, Winifred Pereira, Patricia and Greta Mohn; Messrs. Donald Querner, Dewell Webb, Ray Peterson Jr., Thomas Kerns, Bobbie DeSalles, Russell Ross, Nathan Oliveria, Ronald Oliver and Harold Houghton.

WHIST PARTY

RALLY FOR CARTER SCHEDULED WEDNESDAY AT CENTERVILLE

CENTERVILLE — Friends interested in the re-election of Congressman Albert Carter, Sixth District, will hold an organization meeting at the Washington Union High School on Wednesday, July 29th, in the Visual Education Room at 8 o'clock, p.m. The meeting is being called by Mr. Carter's organizer, Sam Goodman, and General chairman Fred Trimlitt of Oakland.

Mr. Carter's campaign is entirely non-partisan because he feels that during the present emergency partisan politics should be eliminated. For this reason there is no general township chairman for Mr. Carter but a large group of co-chairmen from every political group working for his re-election.

Township women will be interested to know that Mrs. Carter will attend the meeting. Mr. Goodman plans to review Mr. Carter's record of the last two years and will answer any questions asked him. All friends of Congressman Carter are urged to attend.

OFFERS CIRCULARS

CENTERVILLE — Dr. G. S. Holeman of Centerville has a short resume of war gases, their characteristics, effects and anecdotes for distribution to nurses and first aiders who are interested. They may be obtained at his office.

AGED SUNOL WOMAN IS CALLED BY DEATH

SUNOL — Funeral services for Mary Josephine Geary, 78, member of pioneer family and resident here for nearly 60 years were held on Wednesday morning from the Berge Mortuary at Irvington with mass at St. Joseph's Church at Mission San Jose at 9 a.m. and interment at the Holy Ghost Cemetery at Centerville. The rosary was recited at theIrvington parlor Tuesday night at 8:30 p.m.

Thee deceased died at her home Monday morning. She was a native of Galway, Ireland and had been in California 63 years. She was the wife of the late Maurice Geary, prominent rancher of Southern Alameda County and the mother of Nellie, William, Daniel and Thomas of Sunol; Rose of Los Gatos, and John and Maurice of Irvington. According to Deputy Coroner Tom Berge death was due to natural causes and Hardy had probably been dead for several days when found. He was a native of Indiana and had lived in Decoto for the past year.

POWELL DANCES OLD-TIME FAVORITE

Amid the twinkling of stars, 13, 602 of them to be exact, all electrically manipulated, Metro-Goldwyn-Mayer recreates the charm of George Primrose, his soft shoe stepping and his minstrel men in "Ship Ahoy," which plays Sunday and Monday at the Niles Theatre, co-starring Eleanor Powell and Red Skelton with Tommy Dorsey's band topping the all-star cast.

Dancing her first soft shoe routine for the screen, Miss Powell impersonates the famed minstrel king, while Dorsey and his men temporarily forget swing to recapture the three-four rhythm of "Moonlight Bay," old-time favorite. However Primrose'e black-faced end-men are actually twenty-seven of Hollywood's most alluring showgirls. It is one of four elaborate dance routines.

Adding to the laught situations of the musical, which tells the story of a young dances caught in the schemings of spies, are Bert Lahr and Virginia O'brien, who aid and abet Skelton in his comedy routines.

SHE IS A THOUGHTFUL PARTY LINE "NEIGHBOR"

She answers her telephone bell promptly... places her own calls accurately, so that they do not have to be done over... teaches her children, too, the little telephone kindnesses... and when her telephone is not in use, sees that it is hung up.

Those with whom she shares her party line are grateful to her. She is a thoughtful "neighbor."

1018 of Our Men Have Gone to War!

One out of every ten of Pacific Gas and Electric Company's 10,000 men employees has joined the armed forces of the United States. One thousand and eighteen names have been inscribed on our Honor Roll. More will be listed. They are serving their country in the Army, the Navy, the Marine Corps, the Air Corps and some with the United Nations. In recognition of their patriotic devotion to duty we proudly publish here the names of employees of the East Bay Division of this Company who have entered military service.

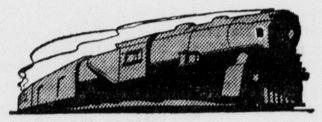
abc's of wartime travel



avoid week-end travel

Travel is always heaviest on week-ends. By planning to start your trip on a Tuesday, Wednesday or Thursday, you have a wider choice of accommodations and you make room for those who *must* travel on week-ends—war workers and men in the armed services.

be an early bird

Get full information well in advance of the day you plan to leave. Make your reservation and purchase your rail and Pullman tickets early. You thus are assured of accommodations and you avoid last minute rush. It's a good idea to buy your return reservation at the same time.

Cancel promptly IF PLANS CHANGE

The space you reserve on a train is valuable—too valuable to go unused. If you are forced to change your plans, please cancel your reservation and turn in your Pullman ticket for refund immediately so the space can be used by other travelers. Remember that seats on the Streamlined *Daylights* must be reserved in advance. Here, too, we ask you to turn in your reservation promptly if you decide not to go.

don't waste space

If you *need* a compartment, a drawing room, or a bedroom by all means buy it. But please don't take more space than absolutely necessary. A berth may be all that you really need. Or share a room with a friend or business associate when you are traveling together.

To get $25 a month starting in 10 years, buy an $18.75 War Bond every month now.
